Folkestone

Welcome to Folkestone Triennial 2025

We know that the town has hills, cobbles and narrow paths. It is an old town with lots of history. Some artworks are in unusual outdoor places, and this can make them harder to get to or find. We are working on ways to help you find your way around the exhibition and our Host team are always happy to help point you in the right direction.

Start your journey at the Folkestone Triennial Visitor Centre

The Folkestone Triennial Visitor Centre is at our venue, Quarterhouse. This is the best place to start your journey as it is an accessible venue with on-site parking, accessible toilets and staff who are happy to help.
