Review KIPPS' ALEHOUSE
 11-15 The Old High Street
 It's not a pub or a bar. It's something else. It's more about the beverage than drinking. The decor is understated and welcoming. On offer, is an exciting range of locally produced ciders and ales. It's good, really good. Don't take our word for it. Go and try it!

Mr Kipps tell us
 your story in 20
 words or less.

I have no idea
 what it's about
 really. I don't
 have the
 answers.
